

Club International

Welcome dear members and guests!!

We are glad to welcome you back again!

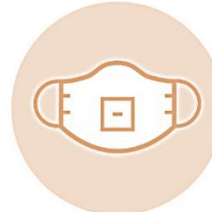

The protection of our members, guests and employees is very important to us.

With care in all areas and compliance with strict hygiene and infection protection measures, we live up to our shared responsibility for the containment of the corona virus. Please support us and adhere strictly to the rules of conduct.

You protect yourself and your fellow human beings!

keep distance of 1,5 m

Wear a mask

Wash your hands often with soap

cough etiquette

Use disinfectant

If there are signs of illness, please stay at home and contact a doctor if necessary

avoid crowds

If possible, use the transfer offer

Thank you very much, your Club International Team
